Toronto ON M5J 2K9

Dear Mr. Mattson:

Thank you for your letter of November 5, 2003 about the Red Hill Creek Expressway in Hamilton. I am pleased to reply on behalf of the Ministry.

Your letter asked, under subsection 11.4(1) of the *Environmental Assessment Act*, that the Minister reconsider the approval given for the project because of a change in circumstances or new information. As discussed with Rob Nadolny of this Branch on November 25, 2003, ministry staff are continuing their work to review the concerns raised in your letters. Once the staff review is complete, the ministry will take appropriate action. You will be notified when the appropriate action has been determined.

If you have any questions please feel free to contact Rob Nadolny of the Branch at (416) 314-7106 or 1-800-461-6290.

Yours sincerely,

James O'Mara  
Director  
Environmental Assessment & Approvals Branch
